The following communication is responsive to the Restriction Requirement mailed October 2, 2002. A petition for a one month extension of time is submitted with this communication. Applicant respectfully requests entry of the Amendments presented below prior to the Examination of this Application.

**IN THE SPECIFICATION:**

Please amend the specification by replacing the originally filed specification with the enclosed substitute specification (at Tab A). The substitute specification includes no new matter, is submitted in clean form without markings as to amended material, and is in compliance with 37 CFR 1.125(b). A marked up version of the substitute specification showing all the changes to the specification of record is also included (at Tab B), in accordance with 37 CFR 1.125(b)(2). In the amendments in the enclosed copy of the marked up specification, deletions are indicated by strike-through, and additions are indicated by underlining.
